

HELICOPTER WINCHING AREA CERTIFICATE

East Anglia 1 OSS

The above named winching area has been inspected in accordance with CAP 437 and HCA requirements

The winching area has been found suitable for helicopter operations subject to:

1. Such non-compliances and restrictions as may be listed below; and,
2. Authorization by the helicopter operator.

Wind (T°)	Kts	Limitation /Comment
		<ul style="list-style-type: none"> • Winching area only • Name on platform sides – "EA1-OSS"

	Non Compliance
	Nil

Valid for helicopters with: Maximum 'D' value:	17.0m
This certification shall remain in force until (unless previously revoked or suspended)	18 December 2028

Notes:

1. This certificate is non-transferable.
2. The certificate holder is responsible for ensuring that the winching area, its environs and related equipment are at all times fit for purpose
3. This certificate shall cease to be valid if:
 - ♦ Changes of ownership or name of installation/vessel are made without notification to the HCA.
 - ♦ Changes to the winching area, its environs and/or related equipment are made without prior agreement of the HCA.
4. Any proposed changes are to be accompanied by drawings in plan and elevation with photographs where possible, particularly when such changes concern:
 - ♦ Modification to installation/vessel physical characteristics and/or structural modifications to other areas of the installation/vessel that may affect or alter the airflow or turbulence experienced over the winching area
