

TO:	ALL PILOTS	DATE:	18 th November 2024
TLN NUMBER:	053 - 2024		
SUBJECT:	Penguins FPSO with Seven Falcon in 500m zone		

1. Comments

This TLN supersedes TLN – 051-2024 Penguins FPSO with Seven Kestrel in 500m zone

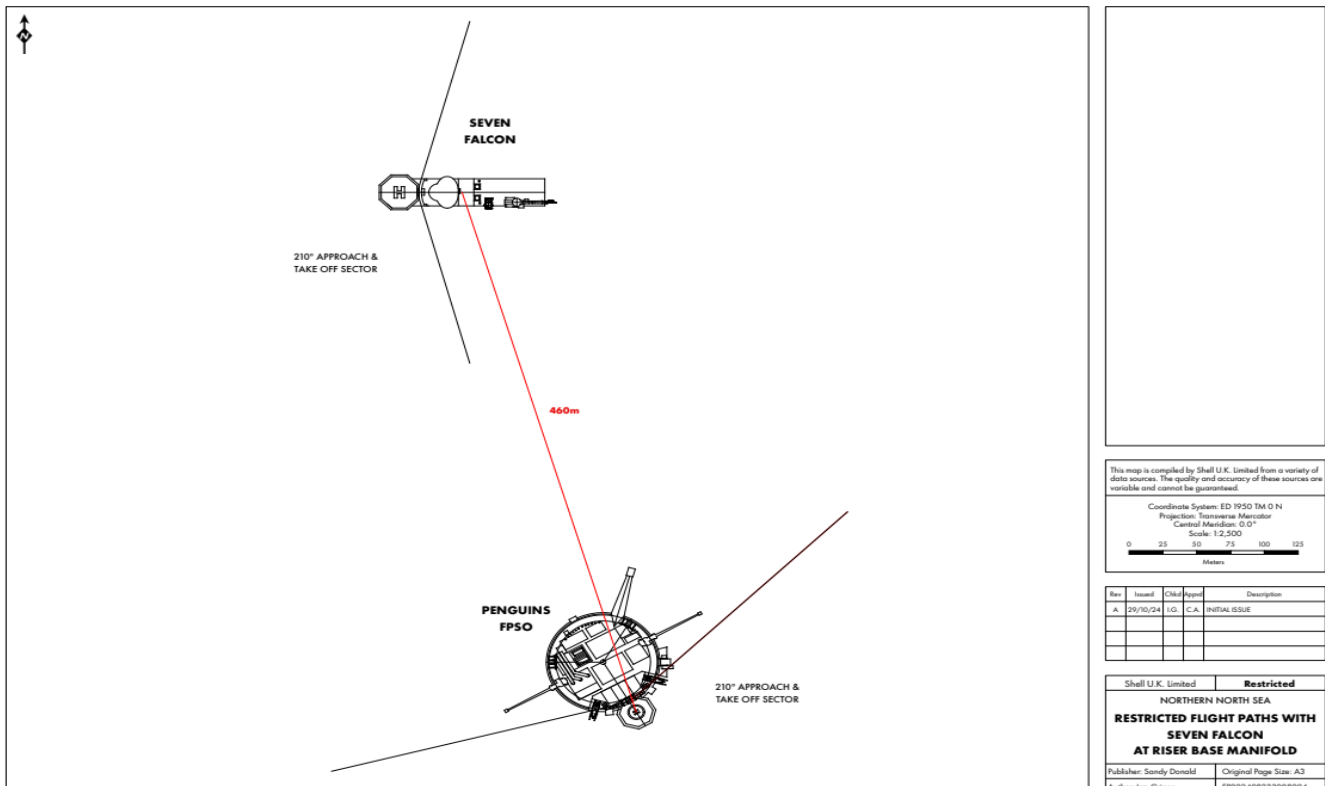

The Seven Falcon is expected to be positioned North-Westerly of the Penguins FPSO within the 500m Zone and the 150° Limited Obstacle Sector, from the 19th November for approximately two (2) to four (4) weeks, weather dependant.

The scope of work requires the Seven Falcon to be positioned over the Riser Base Manifold (RMB) approximately 460m away from the Penguins FPSO (**Ref Figure 1 below**)

Note: Unrestricted flights are only permitted to the Seven Falcon helideck when the vessels 210° Sector is clear. Further contact with Helicopter Operator is required for latest Vessel Helideck Orientation.
